RE: Same-day Inspection Time Changes

Hello,

Beginning **April 1st 2015** the Rogers County Planning Commission office will be changing its same day inspection times.

Morning Inspections will move from 10:00am – 12:00pm to **8:30am - 11:30am**

Afternoon Inspections will move from 2:00pm - 4:00pm to **1:00pm to 4:30pm**

Same-day Morning inspections **MUST** be requested prior to **8:30am**

Same-day Afternoon inspections **MUST** be request prior to **1:00pm**

These changes will provide an additional two hours of inspections for our citizens each day.

Before you request an inspection, please be sure your work is complete. If an inspector finds that work is not complete on a second inspection, a **\$40.00 fine will be placed** against the permit and no additional inspections will take place until the fee is paid.

Should you have any questions, feel free to contact our office.

Sincerely,

Larry R. Curtis, CFM
Planning Commission Director
