SITE PLAN

- Write in the street name at the bottom of the page that fronts the property. If it is a corner lot, write in the frontage street AND the side street on the side.
- The box below represents your property. If your property is shaped differently, draw it out in the box below.
- Draw the existing driveway OR the proposed driveway location on the property. This will determine the address.
- Draw the existing structure OR the proposed structure location on the property.
