Re: Authorization for Stormwater Discharge from Phase II Small Municipal Separate Storm Sewer System (MS4), DEQ Authorization Number: OKR040034, Rogers County, Oklahoma

Dear Ms. Richardson:

The Notice of Intent for the City of Claremore was received on August 26, 2021 and processed by the Oklahoma Department of Environmental Quality (DEQ). Enclosed is an authorization allowing you to discharge stormwater from your MS4 located in **Rogers County** under the terms and conditions of the OPDES General Permit OKR04 for Phase II Small MS4 discharges within the State of Oklahoma.

Your authorization to discharge stormwater shall become effective on September 17, 2021 and expire at midnight on May 31, 2026. The application fee associated with this authorization has been paid. DEQ will send you an invoice regarding the applicable annual fee associated with this authorization. Please conduct an annual review of your SWMP, update it for necessary changes, and submit your annual report by **October 31, 2021**.

If you have any question regarding this authorization or the Stormwater Program, please call me at **(405) 702-8196** or email me at kimberly.carkin@deq.ok.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Kimberly Carkin", is written over a circular, light blue watermark of the Great Seal of the State of Oklahoma. The seal features a central figure holding a bow and arrow, surrounded by stars and the text "THE STATE OF OKLAHOMA" and "1907".

Kimberly Carkin, P.E.

Water Quality Division

Enclosure

Oklahoma Department of Environmental Quality
Authorization to Discharge Stormwater under the OPDES General Permit OKR04
from Phase II Small Municipal Separate Storm Sewer System

Authorization No. OKR040034

In compliance with the Oklahoma Pollution Discharge Elimination System (OPDES) Act, 27A O.S. §2-6-201, the rules of the Department of Environmental Quality (DEQ), and in reliance on the certified statements and representations heretofore made in its application,

Rogers County
200 S Lynn Riggs Blvd.
Claremore, OK 74017

is authorized to discharge stormwater from a small municipal separate storm sewer system (MS4) located in Rogers County at the approximate geographical location: Latitude 36° 17' 58.8", Longitude -95° 46' 36.1".

The receiving body of waters are Elm Creek, Caney River, Hobbs Creek, East Creek, Boggy Creek, is Honey Creek.

The OPDES permit requires permittee to have a Stormwater Management Program (SWMP) which must include appropriate Best Management Practices (BMPs) addressing six minimum control measures to reduce discharge of pollutants in stormwater to the maximum extent practicable to protect water quality, with implementing BMPs, monitoring, and possible reporting requirements.

All applicable requirements of the Permit are subjected to DEQ's inspections and audits.

The SWMP must be available and implemented at your small MS4.

The authorization shall become effective **September 22, 2021** and will expire at midnight May 31, 2026.

All terms and conditions of the OPDES Stormwater General Permit OKR04, which become effective on June 1, 2021, shall apply to the recipient of this authorization.

Michael B Moe, P.E., Engineering Manager
